1. An open letter.

3. My name is John Earnest and I am a man of European ancestry. The blood that runs in my veins is the same that ran through the English, Nordic, and Irish men of old. I am a descendant of one of the original colonists of Roanoke-John Earnest. What happened to him I do not know, and nor does anyone. But I do know that he left his wife and son, James Earnest, back in England. This son shortly after made the same daring journey across the Atlantic to the New World. From my mother's side I inherited the blood of very wealthy Yankees-intelligent, resourceful, uncompromising. From my father's side I inherited the blood of poor Southern farmers-intelligent, musically gifted, self-sufficient. A part of my ancestors lives within me in this very moment. They are the reason that I am who I am. Their acts of bravery, ingenuity, and righteousness live on through me. Truly, I am blessed by God for such a magnificent bloodline.
- 4.
5. To my family and friends, I can already hear your voices. "How could you throw your life away? You had everything! You had a loving family. You had great friends. You had a church. You were doing well in nursing school. You could have gone so far in your field of study. You could have made so much money and started a happy family of your own." I understand why you would ask this. But I pose a question to you now. What value does my life have compared to the entirety of the European race? Is it worth it for me to live a comfortable life at the cost of International Jewry sealing the doom of my race? No. I will not sell my soul by sitting idly by as evil grows. I'd rather die in glory or spend the rest of my life in prison than waste away knowing that I did nothing to stop this evil. It is not in my blood to be a coward. I do not care about the debt-based currency that Jews like to pretend is money. I do not care for the bread and circus that Jewry has used to attempt to pacify my people. I willingly sacrifice my future-the future of having a fulfilling job, a loving wife, and amazing kids. I sacrifice this for the sake of my people. OUR people. I would die a thousand times over to prevent the doomed fate that the Jews have planned for my race.
- 6.
7. "How does killing Jews help the European race? The European race is doomed? What are you talking about? These Jews were innocent!" Every Jew is responsible for the meticulously planned genocide of the European race. They act as a unit, and every Jew plays his part to enslave the other races around him-whether consciously or subconsciously. Their crimes are endless. For lying and deceiving the public through their exorbitant role in news media; for using usury and banks to enslave nations in debt and control all finances for the purpose of funding evil; for their role in starting wars on a foundation of lies which have costed millions of lives throughout history; for their role in cultural Marxism and communism; for pushing degenerate propaganda in the form of entertainment; for their role in feminism which has enslaved women in sin; for causing many to fall into sin with their role in peddling pornography; for their role in voting for and funding politicians and organizations who use mass immigration to displace the European race; for their large role in every slave trade for the past two-thousand years; for promoting race mixing; for their cruel and bloody history of genocidal behavior; for their persecution of Christians of old (including the prophets of ancient Israel-Jeremiah, Isaiah, etc.), members of the early church (Stephen-whose death at the hands of the Jews was both heart-wrenching and rage-inducing), Christians of modern-day Syria and Palestine, and Christians in White nations; for their degenerate and abominable practices of sexual perversion and blood libel (you are not forgotten Simon of Trent, the horror that you and countless children have endured at the hands of the Jews will never be forgiven); for not speaking about these crimes; for not attempting to stop the members of their race from committing them. And finally, for their role in the murder of the Son of Man-that is the Christ. Every Jew young and old has contributed to these. For these crimes they deserve nothing but hell.
- 8.
9. I will send them there.
- 10.
11. "Why are you doing this? Surely killing a fraction of Jews will not solve any problems. Are there not better ways to save the European race?" Yes and no. There are three roles that must be played in this revolution. Those who spread the truth, those who defend the race, and those who continue the race (having children). Where most people misunderstand is that all three of these must be performed by everyone to the best of his ability. There has been little done when it comes to defending the European race. As an individual I can only kill so many Jews. My act of defense is not so much about my high score-that is how many Jews I can 'Do not pass go, do not collect 200 shekels' straight to fucking hell. But rather the statement that I made. There is at least one European man alive who is willing to take a stand against the injustice that the Jew has inflicted upon him. That my act will inspire others to take a stand as well. And when this revolution starts gaining traction (if I am not killed) I expect to be freed from prison and continue the fight. I do not seek fame. I do not seek power. I only wish to inspire others and be a soldier that has the honor and privilege of defending his race in its greatest hour of need-and have a family if possible.
- 12.
13. "How can you call yourself a Christian and do this? Surely the Bible calls for you to love your enemies?" Firstly, just because someone calls themselves a Christian does not make them one. Plenty of people wrongfully identify with being Christian. Beyond the scope of time the Father and the Son made a covenant in eternity-that the Son would bring a people to Him that He may be glorified through them. I did not choose to be a Christian. The Father chose me. The Son saved me. And the Spirit keeps me. Why me? I do not know. And my answer to loving my enemies? Trust yids and their puppet braindead lemming normalfags to take one quote from the Bible and grossly twist its meaning to serve their own evil purposes-while ignoring the encompassing history and context of the entire Bible and the wisdom it takes to apply God's law in a broken world. Is it lawful to let a thief murder my friend instead of killing the thief to prevent the death of my friend? To ask such a question is to answer it. It is not loving towards your friend to let him be murdered. It is not loving towards your enemy-the thief-to let him murder. A child can understand the concept of self-defense. It is unlawful and cowardly to stand on the sidelines as the European people are genocided around you. I did not want to have to kill Jews. But they have given us no other option. I'm just a normal dude who wanted to have a family, help and heal people, and play piano. But the Jew-with his genocidal instincts-is insistent on poking the bear until it tears his head off. The Jew has forced our hand, and our response is completely justified. My God does not take kindly to the destruction of His creation. Especially one of the most beautiful, intelligent, and innovative races that He has created. Least of all at the hands of one of the most unlovely, sinful, deceitful, cruel, and arrogant. My God understands why I did what I did.

42. "Are you affiliated with any political ideology?"
43. Yes. It's called not wanting to go extinct.
44.
45. "Are you a conservative?"
46. I am not a useless, spineless coward so no-I am not a conservative. Conservative is a misnomer. They conserve nothing. They'll complain all they want but they won't take up arms and threaten their government with death (the only thing that works). Ever heard about the Battle of Athens (1946)? Find your balls again you Insufferable faggots. If you do not defend your rights you deserve none.
47.
48. "Are you a terrorist?"
49. Well, let's walk through this question together shall we? I'm not wearing the sandnigger equivalent of a durag, my skin isn't the color of shit, you can't smell me from across the room, it is socially unacceptable for me to marry my cousins, I do not shout 'Durka durka mohammed jihad,' and it doesn't look like a sadist attempted to play tug-of-war with my nose. So no, I'm not a terrorist.
50.
51. "Do you feel any remorse for what you did?"
52. The Jews have depleted our patience and our mercy. I feel no remorse. I only wish I killed more. I am honored to be the one to send these vile anti-humans into the pit of fire-where they shall remain for eternity.
53.
54. "Do you feel anything but hatred for Jews?"
55. Disgust. Disgust that a race can become so unrecognizably corrupted that they would commit the most heinous acts that only the most twisted of individuals could put into reality.
56.
57. "Are you insane/crazy?"
58. I've seen plenty of mentally ill patients. It's heartbreaking and I know what it looks like. No, I do not have mental illness. However, I know the Jew would love to claim that to discredit me. In his mind you must be insane to oppose him.
59.
60. "Do you hate all Jews?"
61. I hate anyone who seeks the destruction of my race. Every Jew currently alive plays a part in the destruction of my race. Does that answer your question?
62.
63. "Do you hate other races?"
64. I hate anyone who seeks the destruction of my race. Spics and niggers are useful puppets for the Jew in terms of replacing Whites. Of course, they aren't intelligent enough to realize that the Jew is using them and they will be enslaved if Europeans are eliminated. Do they actively hate my race? Yes, I hate them. Are they in my nation but do not hate my race? I do not hate them, but they aren't staying. Are they out of my nation and do not hate my race? Fine by me.
65.
66. "Why so much hatred?"
67. There is no love without hatred. You cannot love God if you do not hate Satan. You cannot love righteousness if you do not also hate sin. You cannot love your own race if you do not hate those who wish to destroy it. Love and hate are two sides of the same coin. I may be filled with hatred, but I am also filled with love. Most people are empty inside-unspiritual and shameful dopamine fiends devoid of all love, honor, and purpose. I cannot imagine a more pathetic existence.
68.
69. "Why did you use guns instead of a flamethrower? Wouldn't a flamethrower have given you a much higher score?"
70. Yes. I encourage you to use flamethrowers as well as guns. Use what you think would be best in your situation. I used a gun for the same reason that Brenton Tarrant used a gun. In case you haven't noticed we are running out of time. If this revolution doesn't happen soon, we won't have the numbers to win it. The goal is for the US government to start confiscating guns. People will defend their right to own a firearm-civil war has just started. Stop the slow boil of the frog-prevent the Jew from using incrementalism. Make the Jew play all of his cards to make it apparent to more people how their rights are being taken away right before their eyes.
71.
72. "Did your family cause you to think this way?"
73. Unfortunately, no. I had to learn what they should have taught me from the beginning.
74.
75. "Was it your plan to live or die?"
76. If I die-I die. I do not care if I die, but I will not sin against my God and murder myself. I plan on living (only you know the outcome).
77.
78. "How long did it take you to plan this attack?"
79. Four weeks. Four weeks ago, I decided that I was doing this. Four weeks later I did it. I remember a specific moment in time after Brenton Tarrant's sacrifice that something just clicked in my mind. 'If I won't defend my race, how can I expect others to do the same?' I immediately got to planning, and I never looked back. I never had doubts. I never felt afraid. I never felt anxious-just the occasional nervous excitement.
80.
81. "Who inspires you?"
82. Jesus Christ, the Apostle Paul, Martin Luther, Adolf Hitler, Robert Bowers, Brenton Tarrant, Ludwig van Beethoven, Moon Man, and Pink Guy.
83.
84. "How long have you been playing piano?"
85. Ever since I was 4. It was my favorite thing to do then. It is my favorite thing to do now. However, killing Jews might change that-I'll get back to you on that one.
86.
87. "What is your favorite song to play?"
88. Scherzo No. 2 by Chopin without a doubt.
89.
90. To my brothers in Christ of all races. Be strong. Although the Jew who is inspired by demons and Satan will attempt to corrupt your soul with the sin and perversion he spews-remember that you are secure in Christ. Turn away from your sin. Not because it is required for your salvation-for nobody save Christ can merit heaven based on his own works-but rather out of gratitude for the gift of salvation that your God has given you. Always remember that it is God that is keeping you alive and in faith. All sin stems from the arrogant belief that one does not need God. Satan was so prideful that he actually truly believed (that he, a created being) could overthrow the Ancient of Days-the Creator of all in existence. Satan inspired this rebellion among humanity. Christ alone is the only source of life. Know that you are saved in Christ and nothing-not death, nor torture, nor sin-can steal your soul away from God.
91.

92. To the Jew. Your crimes-innumerable. Your deeds-unacceptable. Your lies-everywhere. The European man will rise up and strike your squalid and
parasitic race into the dust. And this time there will be nowhere for you to run.

93.

94. And last but definitely not least.

95.

96. To the true anons out there (you know who you are). You are the product of /pol/-the product of unadulterated truth. You are my brothers and
the best dudes out there. You are the most honorable men of this age. Despite all odds against you, you not only discovered the truth but
also help to spread it. Some of you have been waiting for The Day of the Rope for years. Well, The Day of the Rope is here right now-that is
if you have the gnads to keep the ball rolling. Every anon reading this must attack a target while doing his best to avoid getting caught.
Every anon must play his part in this revolution and no man can be pulling his punches. This momentum we currently have may very well be the
last chance that the European man has to spark a revolution.

97.

98. Despite this-I'm not worried. I have complete trust and certainty that all of you after reading this will begin planning your attack on the
enemy-and you'll attack again, and again, and again-until either we win, or we die. I know you will do this because you're true anons. You're
White men. I'm not worried that the whole world is against you. I'm not worried because you are the greatest race that our God has created-it
is our duty to keep this world from falling into darkness. White men will not let God's creation be corrupted and destroyed by the Jew
without a fight. Remember your honor White men.

99.

100. More than anything I wish I could've seen your faces and fought alongside with you on the battlefield.

101.

102. Give them hell for me.

103.

104. Give. Them. Hell.

105.
